Tortellini is an extended slab serif with horizontal stress. Originally intended as a wide companion for Pappardelle, it took on a life of its own as I incorporated more and more aspects of the Extended French Antique typefaces of the 19th century. The resulting typeface has wider proportions and thinner hairlines than its predecessors, enlivened by a funky mix of squared-off slabs and bouncy, elastic rounds.

Available formats:

Desktop	OpenType CFF (OTF)
Web	WOFF, WOFF2
App/E-book	OpenType TrueType (TTF)

Designer: David Jonathan Ross

DJR draws letters of all shapes and sizes for custom and retail typeface designs. A native of Los Angeles, he began drawing typefaces at Hampshire College and joined The Font Bureau in 2007 where he honed his bézier-wrangling skills. Now he publishes visually imaginative and technically advanced designs at his own foundry, including Fit, Manicotti, Input, Gimlet, and Bungee. You'll find him in Western Massachusetts with his partner Emily and their two dogs, Sophie and Lily.

Special thanks to Bethany Heck for her advice on this design.
